

# NEVADA FFA ASSOCIATION

## State Officer Candidate Suggested Preparation Timeline

### **December**

Read through the Guidebook and become very familiar with the process and scoring.

Start Your Application

If Hot Topics Released – Start researching the topics

If Hot Topics Not Released – Research general agriculture issues

### **January**

Keep working on your Application

Research Hot Topics

Study for Test

Identify people who can help you with the different interviews and activities. Make sure you show them how to score that interview and activity.

Develop a list of questions that could be asked during each interview based on the scoring.

### **February**

Finish Application & Send in before Due Date

Keep researching Hot Topics

Study for Test

Set up practice times for each of the different interviews and activities. Make sure you show them how to score that interview and activity.

Keep developing and answering questions that could be asked during each interview based on the scoring.

### **March**

Keep researching Hot Topics

Study for Test

Set up practice times for each of the different interviews and activities. Make sure you show them how to score that interview and activity.

Keep developing and answering questions that could be asked during each interview based on the scoring.

Game Day – Enjoy the experience of Personal Growth and meet even more members.

*Thank you for your interest in running for state office and potentially serving the Nevada FFA Association. Remember, this process is a journey. The journey of preparing is just as much of a personal growth opportunity as actually obtaining an office. We thank you for your desire to serve and volunteer your time to the Nevada FFA Association. Please also remember that there are several opportunities to serve and volunteer beyond high school and a state office.*

*Best of luck – Nevada FFA Association*
